Jimmy's Buffet

Celebrating Jimmy Buffett

FINS UP!

Biography

Jimmy's Buffet is a travelling party, celebrating the music & vibes of Jimmy Buffett. Parrot Heads & Land Lovers alike will flock to hear all the hits from this amazing band as they dance the night away. Our singer has been featured on CBS, Ellen, & NBC and really brings the music alive. You can count on crowd participation as a hallmark of every event, and a wild stage show that separates The Buffet from every other band out there.

Jimmy's Buffet Always Delivers:

- **Crowds Love Jimmy** everyone sings & dances
- **All The Songs** A full catalog of hits & deep cuts
- **Authentic Buffett Sound** Live Congas, Steel Drums
- **Wildly Fun Show** with Beach Balls, Palm Trees, & Leis
- **Boon for Businesses** driving record F&B and ticket sales

Buffett Memorial

We were honored to be called on to speak about Jimmy & his legacy following his passing on Sept 1st. We then performed at “Jimmy’s club” The Belly Up for a Celebration of Life on Sept 8th. Keeping his music & vibes alive is now more important, and in demand, than ever.
